Congratulations to all of our pupils for their amazing Christmas productions. Thank you to all of our families for coming to support them - we hope that you enjoyed them. The children were all amazing, remembering all of their lines and songs and every single performance from Reception to Year 6 was fantastic. Your generosity means that we have raised £984.49 All donations given will be split between the Isle of Man Hospice and the Air Ambulance, as chosen by our School Council.

On Friday 22nd December we are holding a Christmas Jumper Day. Your child will be able to come to school in a Christmas jumper or their own clothes and make a donation to Save the Children. Please can you remind children to bring a coat and sensible shoes as playtimes will be as normal!

Sickness Bugs: Can we remind parents that children need to remain at home for 48 hours after being free from symptoms, if they have had vomiting and/or diarrhoea.

UNIFORM REMINDER

We have noticed that some children are coming to school not wearing the correct uniform. Children should be wearing a red polo shirt, navy trousers or skirt with a navy cardigan or jumper. Black school shoes should also be worn - not trainers. Please take some time over the holidays to ensure that all uniform is ready for the Spring Term.

We wish all of our families an enjoyable Christmas break.

We look forward to welcoming everyone back on Monday 8th January 2024.

The first stage is to get in touch by phone, text message, email or via our Facebook page. It is helpful if you can give us a phone or email address so we can contact you easily.
