This half term's value focus will be RESPONSIBILITY.

Next half term's value focus will be RESPONSIBILITY. Please take some time at home demonstrate responsibility in your actions and talk to your children about the things that you do as a responsible adult. Talk to them about why you clean up after yourself, why you go to work and how they can be helpful and responsible at home. Let them help you (even if it means it will take longer).

Welcome back! We hope everyone has had an enjoyable Easter break. We have a busy summer term ahead of us and are very much looking forward to all of the planned activities. We raised an amazing £1570 from our Easter fundraising activities. As a school we actively encourage our staff to try to take the children out on a school trip once a half term. This money will be used to subsidise class trips for this term. Thank you to everyone for your continued support.

School Uniform - Polite Reminder

Please can we remind our families that all children should be wearing school uniform. On both sites we have a number of children wearing branded hoodies / jumpers etc. Please can we also remind parents / carers that school shoes / closed toe sandals should be worn and trainers should **not** be worn for school (apart from PE days when children should wear PE kits, not football kits or jeans), in line with our school policy.

As the weather starts to improve, please can children be sent to school with sun hats and apply sun cream before arriving at school. Thank you.

Summer term clubs

Just a reminder that swimming has now finished for this academic year and will recommence in September 2024 for our year 3 to to year 6 pupils. We still have spaces in our Netball Club (Y4, Y5 & Y6) and Cricket Club (Y5 & Y6). If you would like your child to take part please follow the links below:

Year 6 Activity Week - Polite reminder

Donations for the Year 6 Activity Week should be paid by 29th April so that we can confirm if all or only some of the activities can go ahead. If we do not have enough donations then we will have to make some amendments.

Fit and Fantastic week (sports day)

This year our Fit and Fantastic week will take place w/c Monday 24th June. We are hoping that our sports day for Years 1- 6 will take place on Thursday 27th June at the NSC, however we are waiting for this to be confirmed. More details will follow with regards to both of these events. Reception will have their own sports day separately in the school field. More information will follow.
