

Scoill yn Jubilee Newsletter

This half term's value focus will be RESPONSIBILITY.

Please take some time at home to demonstrate responsibility in your actions and talk to your children about the things that you do as a responsible adult. Talk to them about why you clean up after yourself, why you go to work and how they can be helpful and responsible at home. Let them help you (even if it means it will take longer).

The weather has definitely improved over the past week, please can you ensure that children arrive in school prepared for all eventualities which includes a named bottle of water; suncream applied before school and a sunhat if appropriate and a coat for playtimes and lunchtimes. Thank you for your cooperation.

Mental Health Awareness week

Mental Health Awareness Week was founded 24 years ago by the Mental Health Foundation and is hosted annually every May. This year Isle Listen have decided to not only support the campaign throughout its dedicated week: 13th - 19th May, but instead to dedicate the whole month of May to increasing mental health awareness. Isle Listen will be delivering an assembly on both sites on Monday. The week aims to tackle the stigma surrounding mental health and enable people to understand and prioritise their own mental health, as well as learning how they can support others. The event is now one of the most high-profile awareness weeks. Each year a theme is chosen, this year's theme is movement. Staff will be incorporating some activities around movement in their lessons next week. On Friday 17th May we are asking everyone to dress down and, if you can, wear something green in support of Mental Health Awareness week. This is for awareness so we are not collecting any donations.

Annual Reports

All children's reports will be sent home with your child on Friday 24th May 2024 this year. If you wish to, please comment on one of the reports in the space provided and return it to school. All reports need to be signed and returned by Friday 14th June 2024. There will be a second copy in the report envelope for you to keep.

Dates for your diary

- Monday 13th - Friday 17th May: Mental Health Awareness week
- Tuesday 14th May Y1 visit to The Grove Museum
- Wednesday 15th May: Y6 at Crucial Crew

Parent Governor

We can confirm that the Parent Governor election is completed and Mr Ewan Macfarlane was voted in as our new parent governor.

Many thanks to both candidates for putting themselves forward to represent parents on the governing body.

Mr Macfarlane will be parent governor until 31st December 2025 and if you would like to contact him with a school related question or problem please contact him on 07624 233219 or email ewan.macfarlane@ucm.ac.im

Scoill yn Jubilee's Fit and Fantastic Week 2023

On Monday 24th June we will be launching our Fit and Fantastic Week 2024 at Jubilee! All children need to be brought to school as normal.

Children will be able to wear sports kit all day for the week and they will need to wear a hat and have suncream applied before coming to school if the weather is warm and sunny.

Alongside normal lessons children will focus on leading a healthy lifestyle through healthy eating and keeping fit. Children will enjoy and a whole range of activities.

Mr Bennett and Mrs Storey are currently putting together a timetable of events, including 'Sports Day' at the NSC on Thursday 27th June for Years 1-6 and a sports afternoon for Reception on Friday 28th June at the school field. Parents and carers are invited to attend this event, more information will follow after the TT holidays.

Move up day

On Thursday 4th July, the children will be spending the whole day with their new teacher. The current year 2 pupils will need to be dropped off at the Junior Site in the morning and collected from there at 3.30pm. As part of our moving up day, we are offering all parents and carers, from 2.45pm, the opportunity to 'meet the teacher' and see their child's new learning environment. This will enable parents and carers to see which door they will come in and out of, where coats and bags are put, as well as giving the adults an opportunity to ask any questions.

Mrs Hicks will be holding an Induction Meeting for the parents / carers of our current year 2 pupils in the Junior Hall at 2.30pm on the 4th July.

PE KITS

Please can you ensure that on PE days your child comes to school in the correct PE kit.

This consists of:

- Navy sweatshirt/hoodie
- Navy shorts/jogging bottoms
- Red t-shirt
- Suitable footwear.

Please note that football shirts are not part of the PE kit and parents/carers will be asked to bring in a t-shirt if their child comes in wearing a football shirt.

We would also like to remind you that children should wear navy or black shoes in school and that trainers should not be worn on non-PE days.

Quality Assurance

As part of the Department of Education, Sport and Culture's new Quality Assurance process on the Island, Tribal's External Validation Team will be visiting Scoill yn Jubilee in June. During their visit the external validators will speak to students, meet with staff and other relevant stakeholders, look at students work, join lessons and review the school and service data and priorities. We are looking forward to the validation process and to sharing information following the external validation with you on the school website.

Please see the leaflet attached for further information about the process and if you have any questions, please do not hesitate to get in touch.
