

Scoill yn Jubilee Newsletter

This half term's value focus will be COURAGE.

Courage doesn't have to look dramatic or fearless. Sometimes it looks more like quiet perseverance. One of the most common ways we practice courage at school is in our pursuit of learning and personal growth. We know that it is ok to make mistakes and that this is how we learn. Courage at school also requires perseverance. As our fears lessen, we are more likely to persist in learning—to keep trying despite the obstacles ahead of us.

Welcome back to everyone to what is looking like a very busy last half term. Even though the weather was very mixed over the TT break, we hope that everyone had an enjoyable and safe half term.

Scoill yn Jubilee's Fit and Fantastic Week 2024

Just a reminder that next week, w/c 24th June we will be launching our Fit and Fantastic Week 2024 at Jubilee! All children need to be brought to school as normal.

Children will be able to wear sports kit all day for the week and they will need to wear a hat and have suncream applied before coming to school if the weather is warm and sunny.

Alongside normal lessons children will focus on leading a healthy lifestyle through healthy eating and keeping fit. Children will enjoy and a whole range of activities.

Everyone from Y1-6 should have received a letter from Mrs Storey and Mr Bennett with all of the details about our Sports Day event on Thursday 27th June at the NSC. Reception have had a letter about their sports day on Friday 28th in the afternoon.

Year 6 Signing Polo Shirts

There is a tradition for Year 6 leavers to sign polo shirts on the last afternoon in school (Friday 19th July). If you are happy for your child to do this, they need to bring into school a spare polo shirt as they will not be allowed to have the shirt they are wearing signed.

Farewell to Mrs Moffat

We are both happy and sad to announce that Mrs Moffat will be retiring at the end of this year after working at Scoill yn Jubilee since September 2021. Prior to this, Mrs Moffat worked as a French teacher as part of the peripatetic teaching team. We are sure that you will join us in wishing her a long and happy retirement and thank her for all she has done for the many children that she has supported over the years.

Move up day

On Thursday 4th July, the children will be spending the whole day with their new teacher. The current year 2 pupils will need to be dropped off at the Junior Site in the morning and collected from there at 3.30pm. As part of our moving up day, we are offering all parents and carers, from 2.45pm, the opportunity to 'meet the teacher' and see their child's new learning environment. This will enable parents and carers to see which door they will come in and out of, where coats and bags are put, as well as giving the adults an opportunity to ask any questions.

Mrs Hicks will be holding an Induction Meeting for the parents / carers of our current year 2 pupils in the Junior Hall at 2.30pm on the 4th July.

Please note: If your Year 6 child will be attending Ballakermeen High School in September 2024 they will have already had their move up days. Please can these pupils be dropped off at the Infant Site on Thursday 4th July, where they will spend the day with one of our regular supply teachers, Mrs Pringle. If they are usually picked up at the end of the day then please collect them from the Infant Site at 3.15pm, alternatively they will be allowed to walk home if this is their usual end of day routine.
