

Scoill yn Jubilee Newsletter

This half term's value focus will be RESPONSIBILITY.

Responsibility means taking care of things and making sure you do your part. It's about understanding that your actions can affect others, and it's important to follow through on your promises. When you're responsible, you help out at home, take care of your schoolwork, and make good choices. Being responsible shows others that they can trust you!

The weather has definitely improved over the past couple of weeks, please can you ensure that children arrive in school prepared for all eventualities which includes a named bottle of water; suncream applied before school and a sunhat if appropriate and a coat for playtimes and lunchtimes. Thank you for your cooperation.

Mental Health Awareness week

Isle Listen have delivered an assembly on both sites this week to introduce Mental Health Awareness week. The week aims to tackle the stigma surrounding mental health and enable people to understand and prioritise their own mental health, as well as learning how they can support others. The event is now one of the most high-profile awareness weeks. Each year a theme is chosen, this year's theme is 'community'. On Friday 16th May we are asking everyone to dress down and, if you can, wear something green in support of Mental Health Awareness week. This is for awareness so we are not collecting any donations. **Please note that as Reception will be at the Wildlife Park, they should come to school in school uniform as usual.**

Annual Reports

All children's reports will be sent home with your child on Friday 23rd May. All reports need to be signed and returned by Friday 20th June 2025. If you wish to, please comment on one of the reports in the space provided and return it to school. There will be a second copy in the report envelope for you to keep.

Outdoor areas

You will hopefully start to notice that we are trying to improve some of our outdoor areas with new planters. We are hoping that we can add more colour and life to our shared spaces, creating a more welcoming environment for everyone. To help us continue growing this project, we would be very grateful for any plant donations from our school community. If you think that this is something that you can help with please contact Mr McLellan at our junior site. We will be holding a dress down day on Friday 20th June and will be asking for a £2 donation to go into our school fund to help with these types of projects.

Dates for your diary

- Monday 12th - Friday 16th May: Mental Health Awareness week
- Friday 16th May: Reception trip to Wildlife Park
- Friday 16th May: dress down / wear green for Mental Health Awareness
- Monday 19th May - Friday 23rd May: Y6 Activity week

Scoill yn Jubilee's Fit and Fantastic Week 2025

On Monday 9th June we will be launching our Fit and Fantastic Week 2025 at Jubilee! All children need to be brought to school as normal.

Children will be able to wear sports kit all day for the week and they will need to wear a hat and have suncream applied before coming to school if the weather is warm and sunny.

Alongside normal lessons children will focus on leading a healthy lifestyle through healthy eating and keeping fit. Children will enjoy a whole range of activities.

Mr Bennett and Mrs Storey are currently putting together a timetable of events, including 'Sports Day' at the NSC on Thursday 12th June for Years 1-6 and a sports afternoon for Reception on Friday 13th June at the school field. Parents and carers are invited to attend these events. More information about these exciting events will follow shortly.

Move up day

On Friday 4th July, the children will be spending the whole day with their new teacher. The current year 2 pupils will need to be dropped off at the Junior Site in the morning and collected from there at 3.30pm. As part of our moving up day, we are offering all parents and carers, from 2.45pm, the opportunity to 'meet the teacher' and see their child's new learning environment. This will enable parents and carers to see which door they will come in and out of, where coats and bags are put, as well as giving the adults an opportunity to ask any questions.

Mrs Hicks will be holding an Induction Meeting for the parents / carers of our current year 2 pupils in the Junior Hall at 2.30pm on the 4th July.

PE KITS

Please can you ensure that on PE days your child comes to school in the correct PE kit.

This consists of:

- Navy sweatshirt/hoodie
- Navy shorts/jogging bottoms
- Red t-shirt
- Suitable footwear.

Please note that football shirts are not part of the PE kit and parents/carers will be asked to bring in a t-shirt if their child comes in wearing a football shirt.

We would also like to remind you that children should wear navy or black shoes in school and that trainers should not be worn on non-PE days.

New Guided Reading books

We are excited to let you know that we have recently invested in some fantastic new guided reading sets for our KS2 children. These high-quality books are a great addition to our reading resources and will really help support the children's learning and engagement with reading.

While most of the reading will be done during class time, there may be times when a book needs to come home so your child can finish a reading task. If this happens, we kindly ask that you help us make sure the book is returned to school promptly.

Each book is stamped with the school's name, and we would love to keep them in good condition so that all our pupils can enjoy them. Replacing lost or damaged books can be costly, so your support in looking after them is really appreciated.

Thank you so much for your support!
