This is not an exhaustive list! Expect further updates in due course!

Message from Mr Kelly

I hope everyone had a lovely half-term break and managed to enjoy some rest and family time. It's been fantastic to see everyone return to school full of energy and enthusiasm for the half-term ahead. Looking back, last half-term was packed with highlights and I hope the children enjoyed it as much as the staff did! The visit from RockKidz brought high-energy fun and powerful messages to our learning programme, while our recent Parents' Evening sessions were a great chance to connect and share progress.

As we move through November, there's plenty happening across both sites - from Children in Need and World Kindness Week, to festive fundraising and our much-anticipated Christmas Lunch. With Christmas just around the corner, the weeks ahead promise to be lively, joyful, and full of that special Jubilee spirit!

Next week marks Remembrance Day, when our whole school community will come together for a two-minute silence on Tuesday to honour and remember those who served. Poppies remain on sale at both sites until then. *Jubilee Remembers.*

Finally, don't forget to keep an eye on our school website, which continues to grow and develop, and our Facebook page, which we are now updating regularly as a window into daily school life and learning.

We're selling the last of our branded uniform!
Cardigans and sweatshirts - £5
Polo shirts - £4
Available alongside our pre-loved uniform at both sites!

With best wishes
Max Kelly, Headteacher

A gentle reminder that school starts promptly at 9:00am on both sites. Arriving on time helps everyone begin the day calmly and confidently - thank you for your support in helping our children start their day ready to learn!

Christmas Lunch 2025

Our Christmas Lunch will take place on Friday 12th Dec across both sites. Please pre-order via the Google Form by Thursday 21st Nov and make sure your ParentPay account is topped up.

Click here to order!

The Adaptive Classroom

We're so proud to share that our Adaptive Classroom - part of a ground-breaking national pilot project - was fully installed over the half-term break!

The response from both pupils and staff has been tremendous, and it's already making a huge impact on how we learn and connect at school. We were especially delighted to welcome those parents from SOB who accepted our invitation to visit and see the new space in person.

We'll continue to share this exciting journey on our Facebook page, and there's also plenty of information over on LinkedIn if you search for Adaptive Classroom. The project is attracting national and international attention, and it's fascinating to follow the story as it develops!

Parking Reminder

Please remember not to park on the yellow lines outside the Infant site. There was a recent incident where a reversing car narrowly missed a parent and child. We want everyone to arrive and leave safely - thank you for keeping our drop-off zones clear and safe for all.

Children In Need 2025

Join us in supporting this brilliant charity and helping to make a real difference! On Friday 14th November pupils are invited to come to school dressed in their brightest, boldest, and most colourful outfits - think rainbow socks, jazzy tops, and cheerful accessories!

We're asking for a £1 voluntary donation, which can be brought in on the day, with all proceeds going directly to Children in Need, supporting projects that help children and families across the UK and the Isle of Man. Of course, children are very welcome to join in without making a donation if they'd prefer to take part simply to build awareness for this fantastic cause without making a financial contribution.

This promises to be a wonderful occasion, and with everyone's support and enthusiasm, we're sure to make it a great day for a great cause!

If your child would like to join our Pop-Up Christmas Choir with Mrs Nelson and Mrs Dodd, rehearsing on Wednesdays 3:30-4:15pm, please complete the sign-up form. Sessions will run on 19th Nov, 26th Nov, and 3rd Dec

Kindness Week - w/c 10.11.25

Next week we'll be celebrating kindness in action! Pupils will take part in simple activities that spread friendship, empathy, and positivity across our school.

Staffing Update

A big warm welcome to Miss Ward, who's now working across both sites supporting various classes and covering teacher release. She's already becoming a familiar face to our children!

As Miss Leeming begins her maternity leave over the festive period, Miss Ward will provide stable and consistent cover for her class in Y2. We wish Miss Leeming all the best for her exciting new chapter (and those sleepless nights ahead! 🥰💖)

Festive Fundraising Fun!

On Friday 28th November, pupils can dress down in casual clothes and bring along a red or green item to donate towards our Christmas stalls.

Then, on Friday 5th December the stalls will be open for business - children can bring £2 to make a special purchase and join in the fun. Thank you for helping us make this season sparkle!
